tourism refers to people traveling  
to a country other than their own  
to obtain medical treatment. In  
the past this usually referred to  
those who traveled from  
less-developed countries to major  
medical centers in highly  
developed countries for treatment  
unavailable at home. Sun, 15 Apr

unprotected sex. Because fertility  
in women is known to decline  
steadily with age, some providers  
evaluate and treat women aged 35  
years or older after 6 months of
